

# **SERVICE & MAINTENANCE GUARANTEE**

Lea Heating is a Comfort24-7 Provider. This means we do what we say and back it 100% or your money back. It's that simple!

## **One-Year 100% Money-Back Guarantee:**

If you are not satisfied with the service or repair performed, your Comfort24-7 Provider will repair the problem at no charge or remove the installed components and refund the service price.

## **Two-Year 100% Money-Back Satisfaction Guarantee on Factory Authorized Parts:**

If we install a Bryant or Carrier Factory Authorized Parts that fails within two years from the installation date, the faulty part will be replaced.

## **Why be a Lea Heating Comfort Club Member:**

### **Increased Energy Efficiency:**

The use of high performance HVAC equipment can result in considerable energy, emissions and cost savings of up to 10-40%. So, why not give your equipment the ability to run at its peak performance, while benefitting from lowered monthly utility bills and increased annual savings with energy efficient operations.

### **Extended Equipment Lifespan:**

Equipment that is clogged with dirt, dust and grime has to work much harder and longer to create the same amount of heating & cooling, which leads to early burnout and failure. Spend smarter on preventative maintenance to extend the life of your existing HVAC equipment.

### **Decreased Costly Repairs:**

Scheduling regular maintenance can greatly reduce the potential for a costly service down the road by as much as 95%. Although it is impossible to avoid all HVAC repair situations, preventative care can save a lot of money on unanticipated heating & cooling emergencies.
